A NOTE FROM PASTOR EMILY:

So teach us to count our days that we may gain a wise heart. - Psalm 90:12

Several times this week, I had the disorienting experience of having a conversation about “last year”, only to discover that we were actually talking about 2019, two years ago. It’s almost as if our minds have catalogued 2020 as its own timeline, quite apart and separate from “normal” time. No doubt, it was an odd year. It seemed to pass, at least for me, in fits and starts, dragging one month and flying by the next. I do wonder how this experience has changed us all, young and old alike. We certainly came face to face with our mortality.

In my devotional reading, I recently encountered Psalm 90. This psalm reflects on the fleeting nature of human life, especially when compared to the endlessness of God. “For a thousand years in your sight are like yesterday when it is past, or like a watch in the night.”

It is a good reminder that what seems endless to us is hardly that to God. Whether that is a time of pain or a time of joy, to God’s eyes it is only a blink. I suppose that could seem disheartening to us; a suggestion that we could not possibly hold much interest for an infinite God. And yet, God takes the time to dwell with us, to build relationship with us, and ultimately to enter our reality as Jesus Christ.

That God finds value in our short existence is a wonder to me. It’s also a reminder that we should find value in every moment of this gift of life. Whether they are challenging, joyous, small or life-changing, each day is a gift of God. The psalmist’s prayer is one we should pray as well: Lord, teach us to value our days, to derive from them every drop of love and knowledge of you, and may they teach us to be compassionate and wise.

The psalm ends on an undeniable note of hope: “Let your work be manifest to your servants, and your glorious power to their children. Let the favor of the Lord our God be upon us, and prosper for us the work of our hands— O prosper the work of our hands!”

Even in the sometimes chaotic world, God endures. And not only does God endure, but we have hope that God will prosper the work of our hands so that they endure, too. We pray that God will bless our works as they go out into the world, and that even our small wisdoms and small acts can somehow be made to make a difference when God is involved. Thanks be to God for God’s faithfulness and love!

STEWARDSHIP

As we continue to grow spiritually and learn together how we can best fulfill our mission in Christ, please note that August 1st officially kicks off our 2021 Stewardship season.

Look for related communications, temple talks, and Facebook links describing what Stewardship means to us, including a few personal accounts about how some church families prefer to give back with their time, talent, and resources.

Note also that the church has a number of key projects in the works, for which funding will be needed and progress will be tracked to share with you on a regular basis.

Lastly, we look forward to hosting you for a special mid September lunch & learn session (in the works), to discuss coming events and other Incarnation needs. Good Lord willing, you can all attend and enjoy the great food, conversation, and Christian fellowship, we have missed so much in recent times.

Blessings & Thanks,
From the Stewardship Committee.

Preparing for takeoff into the 2021 school year!

Our school age summer program enjoyed their visit to the Challenger Learning Center located adjacent to W.A. Perry Middle School. It is an aerospace themed educational program designed to provide interactive learning experiences. This hands - on exploration provided an exciting component to our visit. The pictures show our students utilizing the flight simulators as well as learning about the courageous flight team of the ill fated Challenger Space Shuttle.

BACKYARD Bouncy House + Waterslide

Inviting all families at Incarnation!

Join us on Wednesday, August 11th between 5:00 - 7:00 pm for a backyard bouncy house and waterslide. Bring your dinner and come slide with us! Popsicles and water bottles provided.

FAITH FORMATION AND FELLOWSHIP

In July the Faith Formation team hosted a Picnic at the Park. We had a great turnout from both the church and our two Child Development Centers. It was wonderful to see all of those families connecting while their kids enjoyed playtime and popsicles.

Also, in July, the at-home VBS kits were delivered to the families of Incarnation. These kits came with lesson plans and craft supplies and invited our families to engage in some faith building fun at their own pace.

Looking Ahead:

Blessing of the Backpacks on August 8th: Bring your backpack to church to be blessed or let us know that you'll be blessing your backpack with us on the livestream and we'll mail you your backpack cross.

Backyard Bouncy House and Waterslide on August 11 from 5-7pm: Bring your dinner and come slide with us! Popsicles and water bottles provided.

National Youth Gathering: It's time to start organizing! Add the Youth Gathering to your calendars for July 24th-July 28th, 2022, and let Pastor Emily know if you're interested in attending. We will have our first informational session on August 29th, after worship, where we will gather your contact information and discuss first steps. Please plan on attending!

COVID-19 UPDATES FOR WORSHIP

ILC COVID Protocols for Worship

May 2, 2021

A task force of church staff and members started meeting early in the pandemic to determine best practices for reopening. We have refined these guidelines to meet the updated medical information available now, one year into the pandemic. At this time, the buildings are open for use. We will continue to update and modify our protocols based on recommendations from the CDC. Here are the current guidelines to follow:

- Anyone experiencing or exhibiting Covid-like symptoms should stay home.
- Church will provide hand sanitizer, available around the sanctuary. Attendees are encouraged to take advantage
- Masks must be worn while inside.
- Single use paper and communion materials are required.
- Social distance best practices strongly encouraged -- no shaking hands, no hugging, stay 6' away from all but your own family.
- Sit 6' away from other family pods
- Minimal singing, and only with all wearing masks
- When weather permits, open windows to increase ventilation.

Safety Precautions

- CDC handwashing guidelines will be posted in bathrooms
- Facilities will be cleaned thoroughly on a regular basis
- Hand sanitizer will be provided

QUILTING GROUP

The **Incarnation Quilting Group** is happy to announce that they were finally able to distribute all the finished quilts displayed on the pews last year, before Covid closed everything down. The donation of those quilts was a priority in order to get them out to people who could use them. The quilts were given locally to Transitions Homeless Shelter, West Oak Nursing Home, CM Tucker Veterans Home, and a local Women's Shelter. The women now are back to eagerly and industriously creating a new round of quilts.
